A POPULAR WEDDING

Mr. Samuel H. Weaver and Miss Lottie Cruikshank, of Plains, were married in the city of St. Louis, Mo., at 8 o'clock p. m., on May 2, at the home of the bride's uncle, Mr. Eugene W. Robinson, No. 3625 North Grand Ave. The ceremony was performed by Rev. T. L. Mueller, pastor of Bethel Evangelical church. Those present were Mr. Robinson and family, Mrs. J. G. Cruikshank and daughter,

Miss Valla, mother and sister of the bride, Mrs. Curtis Robinson of Duquoin, Ill., and Miss Elsie Hancock of Plainview, Texas. Mr. Oliver Corning of St. Louis, and Miss Valla Cruikshank acted as best man and bridesmaid, and the flowers used for the occasion were the bridal wreath. The bridal party left at once on their return home, stopping at Kansas City, Amarillo and Lubbock to visit relatives and friends, reaching Plains last Monday afternoon, accompanied by A. V. Weaver, of Lubbock, and his car, and were heartily received by a large number of friends. Mr. Weaver is a son of H. T. Weaver, a prominent citizen and retired farmer of Salado, Bell county, Texas, and brother of A. V. Weaver, a leading citizen of Lubbock, and is a prominent candidate for Sheriff of Yosum county, and has a host of friends all over the Plains country. Miss Lottie is the daughter of Mr. and Mrs. J. G. Cruikshank, who are

among the first settlers in Plains, and is not only handsome and accomplished, but is one of the most popular young ladies in the country. These young people commenced their married life under favorable circumstances and promising prospects, and have the best wishes of a great many friends here and other places where they are known. A pleasant feature of their coming was a miscellaneous pound, given at the Earnest Hotel, Thursday after-

noon, where most of the ladies of the town and a number of gentlemen gathered. Fifty-three parties at the gathering presented seventy presents, most all of which were of a substantial and useful quality. Refreshments were served by Mrs. J. D. Earnest and Mrs. J. M. Cox, and all present had a most enjoyable time. Besides these, Mr. and Mrs. Weaver have received quite a number of beautiful and costly presents from relatives in Canada, Illinois, St. Louis, Amarillo and several other places.

One way to overcome the high cost of living is to plant a garden and grow your own vegetables. Not only that but you can have your vegetables fresh and just when you want them. Without tools to work with, no workman can accomplish much. Why not visit our store and supply yourself with the necessary implements to enable you to have a good garden. See our line of garden hose, rakes, hand cultivators, spading forks, shovels, spades, garden plows and other tools we have 'nt space to mention.

When your garden or lawn needs some irrigation, you will want some hose, so let that remind you that the place to buy it is The Western Windmill Co. As you know, we have several stores and when we buy hose, we buy in large quantities, hence we can get a better grade for the same price others pay for cheaper grades and we give you the benefit of this.

Do you have any trash to move about your premises? Or perhaps you might wish to haul some dirt to fill in a flower bed. With a wheelbarrow the work is easily and quickly done. You would find innumerable uses for one. We have garden barrows like cut, also wooden barrows with tray shaped body and all steel barrows.
